

Affected by recent flooding?

The York County Office of Emergency Management is asking property owners to file damage reports to possibly get financial help for residents affected by flooding from the Federal Emergency Management Agency, FEMA. If you have not already reported your damage, please do so, by visiting: yorkcountypa.gov and click on [Report Your Damage](#).

Damage includes: water in basements and living areas, private lane and bridge washouts, loss of personal belongings, water logged appliances and utilities.

Financial assistance that may be available could include, grants and low interest loans.

Those without internet access may contact our office, Monday-Friday, 8am-4:30pm.

Scan here with your smartphone to go directly to our damage reporting app.
