September 2019

Issue 1

The South Eastern Intermediate School PTO would like to welcome all new and returning families back to school!

We are a volunteer organization consisting of parents, teachers, administrators and support staff who are dedicated to a successful education of our students. This organization works hard to help make the school year enjoyable and exciting for our student body.

Our first meeting will begin at 6pm on Tuesday September 10, 2019 in the SEIS Library. All families, parents, guardians and grandparents are welcome. We would love to see you there!

If you cannot attend this meeting but would like to be a part of our PTO please fill out the attached membership form on the second page, place it in an envelope marked PTO, and send it to school with your student. A \$5 donation fee can be submitted with your form. This helps pay for field trips, assemblies and further education supplies. This donation is not mandatory, but greatly appreciated.
