

# SEIS Holiday Food Drive

SEIS, we need your help to provide holiday meal items to be delivered to local families before the holiday break. We ask each team/homeroom to put together bags with a complete meal for a family. You will be provided grocery store bags with a list of food items for dinner and breakfast. **Each bag will need to include TWO of each of the following 7 items**, boxed/bagged mashed potatoes, canned gravy/gravy mix, stuffing mix, canned corn, canned green beans, brownie/cookie mix, and a breakfast item such as oatmeal, granola bars, or cereal.

The collection will occur from December 5 -15th. The team collecting the most complete bags of food will earn a movie and popcorn. The school's goal is to collect 75 meals. The team in each grade will win a movie and popcorn afternoon.

Thank you in advance for helping out.
